

I regret to inform that a mistake was found on Jester's Choice (aka Rays N' Rainbows) Step 13. It should have read:

13 Sub-cut 2 ½" F2 strips into 48 (B), 72 (L), or 128 (T) 2 ½" × 2 ½" Unit Ss.

Repeat the forementioned but this time with 2 ½" F5 strips into 24 (B), 36 (L), or 64 (T) 2 ½" × 2 ½" Unit Ts.

This revision will also impact the number of strips to be cut for Baby size: You'll need (3) 2 ½" F2 strips and (2) 2 ½" F5 strips. This means that fabric requirement for Baby F2 should be ½" yard and F5 ¼ yard.

For Lap size, just use the leftover 3 ¼" F2 strip to cut the additional 2 ½" × 2 ½" Unit Ss.
