

Love the new Limerick Collection?

So do I! And I'll be soon receiving a limited quantity of these precious fabrics.

Let me know which quilt you would like to make and in what size, and if you need any of the tools to go with your order and I can get back to you regarding the pricing. You are also welcome to purchase some yardage if that suits your fancy.

You can email me at raiija@quilterstreasurechest.com to let me know the above information.

Thank you and Happy Stitching,
Raija
